CHI-NOG Background

- **CHI**cago **NOG**, not to be confused with Chino G. the rapper.

CHI-NOG Background

- Started in 2013 by Tom Kacprzynski, Brian McGahan and Jason Craft.
- 3rd meeting, 3 to 4 meetings a year.
- Our goal is to create a Chicago based community of network professionals, by providing educational content, networking opportunities and certification advice.

Sessions

- "DDoS Mitigation Techniques" by Ron Winward
- "SDN/NFV and the Dataplane" by Tom Dwyer
- "CCIE R&S Ver 5 Updates" by Brian McGahan

Feedback

- Please provide feedback about CHI-NOG03 at feedback.chinog.org
- Last event's feedback (we are listening)
  - Topics we covered from last survey SDN, security, certification.
  - Session recording and streaming (in progress)
  - Advertising the group

CHI-NOG Roadmap

- Next event in September
- CHI-NOG04 topics:
  - Peering, IXP, IPv6, Network Troubleshooting Tools, Backbone MPLS deployments.
- Use http://chinog.org/contact-us/ if interested in presending or sponsoring.
- Working on sponsoring opportunities.
- Working on a YouTube Channel for live streaming and recording.
- Social events?

Social Media

- Please follow us on Twitter [@_chinog_](#)
- [LinkedIn Group](#)
